

# Dr. Kasie Mix

- LASIK Consultations
- PRK Post Operative Care
- CATARACT Consultations
- CATARACT Post Operative Care
- Comprehensive Eye Care

## EXPERIENCE

Dr Mix has been practicing optometry since 2015 with emphasis on primary eye care, ocular disease management, specialty contact lenses, oculoplastic surgery, dry eye therapy, refractive surgery, emergent care, and surgical co-management. Dr Mix completed three clinical externships in the area of Cornea and Specialty Contact Lenses, Ocular Disease of Anterior and Posterior Segments, and Advanced Ocular Care; one of which included training at the world-renowned Bascom Palmer Eye Institute. Dr Mix completed her Residency at Minnesota Eye Consultants in 2016 focusing on cornea, contact lenses, refractive surgery, ocular disease, and oculoplastic surgery. She has written, published and presented on various topics including ocular disease management, neuroophthalmology, binocular vision and visual perception. Dr Mix also independently manages Mix Eye Care, LLC to assist local optometrists by providing patient care on a locum basis.

## EDUCATION

Dr Mix graduated from Minnewaska Area High School in Glenwood, MN in 2007. She then graduated Magna Cum Laude from St Catherine University in St Paul, MN in 2011 with a Bachelor of Arts degree in Biology and double minors in Chemistry and Psychology. While at St Kate's, she was inducted into numerous honor societies including the well respected Phi Beta Kappa. Dr Mix attended Pacific University College of Optometry in Forest Grove, Oregon. She received both a Doctor of Optometry (OD) and Master of Science in Vision Science (MS) degree upon graduation in 2015. While at Pacific, Dr Mix was chosen to be the Student Representative for the Pacific University Board of Trustees, and was a member of the Beta Sigma Kappa Optometric Honor Society throughout optometry school. Dr Mix ultimately graduated with the top honor of summa cum laude, received the Dean's Award, and was Valedictorian of her class. She completed a Residency in 2016 at Minnesota Eye Consultants, which initially sparked her passion for refractive surgery.

## ASSOCIATIONS

Dr Mix is board certified by the National Board of Examiners in Optometry, and is licensed in the state of Minnesota. She is also an active member of the American Optometric Association, the Minnesota Optometric Association and the American Academy of Optometry. Dr Mix plans to become a Fellow of the American Academy of Optometry (FAAO).

## PERSONAL

Dr Mix lives in Roseville, MN with her husband Travis and their three dogs. She enjoys hiking, fishing, biking, archery, refinishing old furniture, pallet DIY projects, and thrift store shopping. Dr Mix is kept busy with endless home restoration projects, and loves spending time with her incredibly large extended family.
