EXPERIENCE

Dr. Lommis has been practicing optometry for 20 years with emphasis on emergent eye care, primary eye care, refractive surgery, developmental & behavioral optometry, and ocular disease management. He has been providing pre- and post-LASIK care extensively since 1998. Dr. Lommis completed a Mini-Fellowship in Refractive Surgery, Cataract and Implant Surgery, Glaucoma Surgery, and Corneal Transplant Surgery in 1999. His numerous presentation topics include refractive surgery, advanced care management, and binocular vision dysfunction.

EDUCATION

Dr. Loomis graduated from the University of Minnesota - Duluth in 1994 with a degree in psychology. He then attended the Illinois College of Optometry in Chicago, Illinois. Dr. Loomis earned his Doctor of Optometry (OD) title in 1998 with clinical honors in advanced care, low vision, contact lenses, and primary care.

ASSOCIATIONS

Dr. Loomis is a member of the American Optometric Association and is board certified by the Minnesota Optometric Association.

PERSONAL

Dr. Loomis lives in Buffalo, Minnesota with his wife, Jill, and their two children. He is active in softball, basketball, and baseball, and coaches youth sports in his community. Dr. Loomis is passionate about physical fitness and eating well. He is also attempting to master the art of being a handyman around his home.
