

# Bruce January, M.D.

Having performed more than 137,000 refractive surgery procedures, Dr. Bruce January is considered one of the most prolific and experienced refractive surgeons in the world.

Dedicated to inspiring children to achieve their dreams, Dr. January speaks at schools serving the underprivileged. In his free-time, Dr. January enjoys spending time with his family, scuba diving, gardening and “anything to do with health, diet, and physical fitness”.

## EDUCATION & TRAINING

Dr. January obtained a B.S from the University of Georgia. He earned a medical degree from the University of Tennessee, and completed an ophthalmology residency at the internationally recognized, top-ranked Emory University Eye Center in Atlanta.

## ACCOMPLISHMENTS & HONORS

Dr. January is certified by the American Board of Ophthalmology and a member of American Society of Cataract and Refractive Surgery. He is a member of the American Academy of Ophthalmology, which honored him with the Lifelong Education Award.
